

Certificate of Approval

This is to certify that the Management System of:

Aerospace Logistics Limited

ASL House Unit B2 Foundry Lane, Horsham, RH13 5PX, United Kingdom

has been approved by LRQA to the following standards:

AS9110C (technically equivalent to EN 9110:2018 and SJAC 9110:B)

This certification has been performed in accordance with the requirements of EN 9104-001:2013

LRQA Limited is accredited under the IAQG ICOP scheme

Certification Structure – Campus

Approval number(s): AS9110 – 00048579-002

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Repair, overhaul, refurbishment, recertification, maintenance, surface finishing, testing and provision of support services for aircraft components, compass systems, assemblies and their associated systems and support equipment. The repair and overhaul of electronic equipment and assemblies for mass transport systems.

This certificate is a continuation of a previous approval from another certification body as follows:
Previous original AS9110 approval on 26-AUG-2008, SGS certificate number GB08/75574.00

David Derrick

Regional Director, UKAM
